#### There's a Reason For Baldness— **But No Excuse For It**

Do if Already Bald.

Neglect of the hair and scalp is the primary reason for baildness in nearly all cases. But any excuse for the neglect is necessarily a poor excuse. A little systematic attention and the use of a really good hair tonic will destroy and prevent the return of dandruff. That, in turn, prevents premature grayness and baildness. Many hair tonics on the market are worthless if not harmful. The SAFE way is to mix your own hair tonic at home, or have a reliable druggist mix it for you, according to this formula: Disou, according to this formula: Dissolve 12 drachm Menthol Crystals in 6

yesterday denied that he had made a ruling that fishermen in streams passing through private property were exempt from arrest and prosecution for trespass.

A report was circulated that under a decision by Judge Ritchie in the of Murray City against F. A. Wrathal fishermen throughout the state were immune from trespass prosecution while fishing through private property.

"No such issue arose in the case," said the judge. "I found for Wrathal because it was not shown that he had trespassed on the particular land of the complaining witness, but I did not rule that fishermen have the right to enter on private ground."

Wrathal was found guilty in the
